Dear Mr. Czajkowski,

I wanted to take this opportunity to commend you as well as your staff on the wonderful work you did on the sound system at Saint John the Evangelist School.

We have had the system in place for fifteen years and it was in desperate need of being updated.

You gave us a reasonable quote and the work was done in a timely manner. Rick and his co-worker were professional and accommodating.

We didn't realize how bad the system was until we heard the sounds from the updates. What a difference.

The follow-up phone call the next day to ensure our satisfaction meant more than you will ever know.

I would highly recommend CZ sound if you want caring, compassionate and quality service and people

Sincerely,

A handwritten signature in black ink that reads 'Mrs. Chris Roskovensky'.
